T: Customer satisfaction guaranteed | Calmic Hygiene Services

Meta: For the supply of hygienic products and services you can contact Calmic Hygiene Services for more details regarding what we can offer you.

H1: About our company

Ours is a company with the clients in mind, providing them with efficient work every time.

H2: Our journey to success

Calmic Hygiene Services was established in 1987 as part of GDL Group. Our business started out as a washroom rental service company. After that we gradually started importing hygiene products. Today we offer a vast range of options in both products and services, as our dedicated servicemen will service washroom dispensers, toilet water disinfectants and more.

We have worked with various clients from different industries and have provided them with excellent services each and every time. We are efficient in what we do and we make sure that we do not leave any client waiting, especially since we understand that when it comes to hygiene, one cannot be left without the products and services that we provide. There is no need to stock refills, as we will keep track of all services in your area. It is also good to know that we are the sole agents of Katrin paper products, Vectair Aeresol washroom dispensers and Evans Vanodine professional detergents. In order to make sure that nobody is left waiting for too long, we provide deliveries within 2 days of your order, and we deliver all over Malta & Gozo. Customer satisfaction is a great priority for us, we also provide the ultimate cost-effective service to both commercial and industrial clients.
